Sir,

Udiri Warehouse - abolition - proposal of Messrs. Parry & Co. - Remarks offered.

Reference:- Commissioner's C.T.No.476-32 dated 25-1-32.

It is true that the issues from Udiri warehouse have gone down considerably due to the prevailing economic depression and other causes.

On account of the fall in the issues and the improvement in the transport facilities, the minimum stocks to be maintained at Moodabidri, Puntwal, Karkal, Kuttur, Beltangady, Sullia, Golithattu, Karkal and Kollur were lately reduced by me. In view of the economy that would result to Government by the present proposal, I suggest the temporary abolition of the warehouse for a period of one year. If my suggestion be approved I shall see that the minima at the above named depots are raised.

Udipi Warehouse - abolition - proposal of Messrs. Parry & Co., Report - submitted.

------oOo------

Commissioner's Reference C.R.No.476 Abk.32 dated 25-1-1932.

The issues from the Udipi Warehouse have gone down considerably of late owing to the trade depression and acute poverty prevailing among the drinking classes. But it is not too much to expect that with the improvement in trade conditions and cessation of the Civil - Disobedience Movement, normal conditions may be restored and the consumption may once again revert to the level of 1926. The abolition of the Warehouse, on account of the existance of certain temporary reasons which in fact have affected all trades alike, is not therefore a matter to be hurried through. But considering that better transport facilities are available now and no depot however far is likely to suffer now on account of its distance from the warehouse, the abolition of the Udipi warehouse even under normal conditions may be effected, more as a measure of retrenchment than for other reasons. I therefore suggest that the warehouse may be closed <u>temporarily</u> for a period of one year.

Recently, the minimum stocks in several depots in the Udipi Circle have been reduced owing to poor consumption but

but if the proposal for the abolition of the warehouse is to materialise, they must have their minimum stocks raised once again.

Messrs. Parry and Co are informed that the closure of the Kudipi wtt. can be considered only for the next lease, ie from 1-4-32, as its closure in the current lease will affect prejudicially the existing privilege of certain shops setting their supplies direct from the wH.

2/ The issue price of arrack for next lease and shops at the depots getting supplied from the Kudipi wH. has already been notified as Rs 1-11-0 per gallon of 35° U.P. This rate cannot be raised to Rs 1-12-0 (the rate allows for depots and shops setting

getting supplies from Mangalore with) during the currency of the next lease. ~~If the Company can accept this, the Indispi W/H can be closed from 1-4-32.~~ The company are requested to state at ~~a very early~~ once date whether they are willing to ~~abide by the above condition~~ accept the continuance of the notified rate of Re 1-11-0 per ton per year for the days now supplied by the Indispi W/H. In that case the W/H can be closed from 1-4-32.

Note contd

Please see this office reference at page 3 cf and the replies thereto from the collr. of South Kanara and A.C. West coast Sub Div at pages 4-6 cf. The main grounds on which the

company's proposal to abolish the W.H. pp 1-4 (A)
in 1927 were not accepted are : pp 19-20 (A)
1) the inadvisability of stocking large quantities
of liquor in depots otherwise than under p 19 (A)
responsible departmental control and
2) difficulty in transport facilities in the matter p 20 (A)
of issues to distant depots from Mangalore W.H.

As regards the first point issues from
the W.H. have gone down considerably pp 4-5 Cf
due to the prevailing economic depression
and acute poverty among the drinking classes.
As regards the second point, the A.C. Westcoast
reports that better transport facilities are p 5 Cf
available now and that no depot however far
is likely to suffer now on account of its
distance from the W.H. Both the Coll.
and the A.C. now recommend that the W.H. pp 4 & 5 Cf
may be abolished temporarily for one year.
In the circumstances, it appears that the
recommendation of the local officers may be
accepted and now the proposal given effect to.
For orders.

The Coll. reports that he reduced the minimum
stock at certain depots in view of the fall
in issues and that he will raise the minima.

at these depots in case the Nidipi WH. closed. There is no objection to this

If the WH. is closed, the Company may however be informed that the closure of the WH. will not entitle them to any extra allowance in the issue price of anack in respect of the depots now getting their supply of liquor from Nidipi WH. for orders.

The WH can be closed only from 1.11.0 1st April 1932. A clause in the Currency of this lease with prejudice to existing privilege of getting supply for shops drinks from the WH. The Coy Shri has only one shop has been taking a direct supply from the WH. The closure may be given effect to for the next year.

The issue price fixed for the next year is Re 1-11-0 from depots supplied by the Nidipi WH and Re 1-12-0 from those supplied by the Mangalore WH though the source of supply to the former depots will be Mangalore WH from 1.4.32 the issue price cannot be enhanced to Re 1-12-0 as Re 1-11-0 has already been notified. The Board's orders accordingly.

p. 8 (a)

Explain that the issue price for depots having no warehouses has been fixed at Re 1-12-0 since the warehouse charges have been included in the issue price

Sec 4(c)(c). There are only 8 depots attached to Kodaipi W.H. and these could be served from Mangalore W.H.; one extra staff will be required at Mangalore to cope with the extra work. The W.H. supplies chiefly the depots; one Town ship used to consist to the W.H. (Kodaipi but has discontinued since 20th Jan 28. & 31 - since to these ship from 1.4.31 to 28.8.31 were only 826 Gallons. I recommend the closure of Kodaipi W.H. for one year as an experimental measure. As depot oils have already been fixed and Asiatic ship-owners mid-year Messrs Parry & Co. will have to sell liquid fuel already notified - i.e. Rs 1-11-0 per gal of 35° U.P. to depots now attached to Kodaipi W.H.

Messrs. Parry & Co. represented that it has been for them a financial convenience to maintain the maintenance of their W.H. at Udipi, S. Kanara dt, and justify to expense to them, as issues from the W.H have considerably gone down. The local officers Consulted in the matter, have stated that in view of the better transport facilities available now, there will be no difficulty in supplying liquor from the Mangalore W.H. and that the Udipi W.H. may be abolished experimentally for one year.

There has been a serious fall in issues of arrack from it - to all the depots in this dt.

The Comm. agrees with them and has directed the closure of the W.H. for a period of one year from 1.4.32.
